Warrior Kids Podcast

Warrior Kids Podcast is an award-winning, educational podcast that celebrates everything Indigenous! Produced and hosted by Pamela Palmater, an Indigenous author and educator from the Mi'kmaw Nation; this podcast is for kids and families of all backgrounds who want to learn more about Indigenous cultures, stories, and current issues. Our motto is education for action. We inspire kids to take what they learn and put it into action to help make the world a better place. Sometimes, you can even hear our live studio audience members – Ernie the Bulldog and Peter the Boston Terrier – playing in the background!
